Fastener Finishes

Threaded rod is sold in three foot lengths. Longer lengths are sold in 10', 12' or 14' lengths. The Nut Place can custom cut and chamfer from longer lengths down to the size you need. Metric rod is sold in 1 meter lengths. Longer lengths are available. Additionally, you can select finishes like zinc, galvanized, xylan, cad or just plain black. If you need to be supplied with another finish, then call or email us. We can provide finishes to your specification.

Technical Data

If you need a Technical Guide, then call or email us. We can provide your company with a Technical Guide that contains more specific information about mechanical qualities and strength.
