304 STAINLESS

ASME/ANSI B18.3
ASTM F837-980
316 STAINLESS

Fastener Finishes

Sockets are typically ordered in a black oxide or stainless steel. We also stock them with a blue xylan or zinc-plated finish. If you need to be supplied with another finish, then call or email us. We can provide finishes to your specification. We do it everyday.

Technical Data

If you need a Technical Guide, then call or email us. We can provide your company with a Technical Guide that contains more specific information about mechanical qualities and strength.
